

Preparing for Your Procedure

Prior to Your Procedure

- If you plan to take advantage of a Vision Access Payment Plan, please fax, mail or bring your completed application to LaserVue *at least one week prior* to the procedure.
- If you wear soft contact lenses, please remove them *at least 7 days prior* to the procedure. Do not resume use of rigid/toric lenses between the time of your exam and procedure.

The Day of Your Procedure

- Please bring the informed consent form with you. We will be happy to answer any questions regarding the consent form. It will be signed on the day of the procedure.
- Be sure to cleanse the area around your eye thoroughly, removing any moisturizer, sunscreen, make-up, perfumes, or colognes.
- If payment has not yet been made, plan to pay in full by credit card, cashier's check, cash, or payment plan contract before your procedure.
☞ ATM cards, credit card checks and personal checks are not accepted
- Eat a light meal within two hours before your procedure time.
- In order to sustain a calm environment for all our patients, we prefer *no young children* accompany you on the day of your procedure.
- Please arrive on time for your procedure:
Date: _____ Arrival Time: _____ Procedure Time: _____
- The laser procedure may be viewed live on LaserVue's closed circuit monitor. You may invite friends or family to watch if you would like.
- Arrange for appropriate transportation home from LaserVue. You cannot drive home.

After Your Procedure

- Return for one day post-operative check:
Date: _____ Time: _____ At: _____
- You should arrange back-up transportation to and from your one day check in case you do not feel comfortable driving without glasses or contacts.
- Return for one week post-operative check:
Date: _____ Time: _____ At: _____
